

London Dermatology Centre

GP Online Education Event

Psoriasis Uncovered: Recognition, Referral & Management in Primary Care

Led by Consultant Dermatologist
DR ALLA ALTAYEB

What GPs will learn:

- ✓ Recognising the varied clinical presentations of psoriasis
- ✓ Understanding comorbidities and patient quality-of-life impact
- ✓ Practical approaches to management in primary care
- ✓ When and how to refer patients for specialist input
- ✓ Latest updates on advanced and emerging treatments

- » Interactive Q&A – bring your questions and cases
- » CPD-focused – designed for busy GPs looking to enhance their dermatology expertise

Online Event

Thursday 30th October

2 CPD Points

18:00 – 19:00
